

LAIZIG

An independent designer and economist, b. 1999
– building across product, finance and brand
since 2017. Four cities – Barcelona, Berlin,
Chicago, Dubai – connecting disciplines and
institutions along the way.

THE ASK

A rigorous multidisciplinary apprenticeship in Japan –
a training position inside a team that builds across
disciplines. Training at the highest level,
contributing from day one.

多分野にわたる見習いの機会を日本で探しています。
このページを採用ご担当の方にご転送ください。

THE PROOF

TNMT – built at Lufthansa Innovation Hub, Berlin ·
2019

Insurtech Lab – commissioned at 1871, Chicago · 2023

Card Shop – a commerce platform around one carried
object · 2024

A catalogue of 19 filed works across four cities

THE ROUTE

If this belongs on another desk, forward this file.

Decision-makers: laizig.com – the catalogue, then the
designer.
